

MISSION STATEMENT

Washington Property Company is a full service real estate organization dedicated to creating and enhancing value in real estate assets throughout the Washington, D.C. Metropolitan Area. Guided by core values of integrity, fairness and a commitment to excellence, we strive to deliver success within the real estate process for our customers, investors and employees.

Our diversified experience enables Washington Property Company to pursue complex and diverse real estate strategies in office, retail, residential and medical. Our expertise spans acquisition, renovation, development and land use.

The management of WPC brings the same values and commitment to the company's role as a responsible corporate citizen working to help improve the quality of life in our communities.
